

L'Université de Montréal et de votre carrière.

Université de Montréal has more than 10,000 employees and is one of Canada's Top 100 Employers.

UdeM has Canada's 2nd largest student body and ranks among the top five Canadian universities in research, receiving more than half a billion dollars in research funding every year.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Professor of Physiotherapy

Physiotherapy Programs, School of Rehabilitation, Faculty of Medicine

The Faculty of Medicine of the Université de Montréal invites applications for a tenure-track faculty position to join its dynamic physiotherapy programs in the School of Rehabilitation. The successful applicant will work with a team of scholars committed to the development of physiotherapy and rehabilitation sciences. We welcome candidates who demonstrate interests for innovative and emerging approaches to physiotherapy such as primary and secondary-care musculoskeletal services and advanced physiotherapy practice.

As a professor, you will have the opportunity to contribute to the excellence of the School of Rehabilitation:

through your teaching and your research activities. You will also ensure the visibility of your discipline in addition to actively participate in the operation of a renowned institution. As such, you will:

- » Teach at the undergraduate and graduate levels in [physiotherapy](#)
- » Teach and supervise graduate students in [rehabilitation sciences](#)
- » Pursue successful research programs in the expertise domain
- » Fulfill responsibilities in the department's academic committees and services
- » Contribute to scientific and professional activities and the department's visibility

To succeed in this role, you'll need:

- » A portfolio making him/her eligible to become a member of the Ordre professionnel de la physiothérapie du Québec.
- » A PhD relevant for advancing the field of musculoskeletal disorders.
- » Experience as an independent researcher or completed post-doctoral research training prior to the date of hiring.
- » University level teaching experience or clinical experience in physiotherapy and related field.
- » An excellent publication record.
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language](#)

[Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

We invite you to submit a letter outlining your interests and career goals, your resume, a copy of your diplomas, a copy of three (3) recent peer-reviewed publications and two (2) letters of recommendation from professors or supervisors to:

Dr. Louise Demers, Ph.D., Director
School of Rehabilitation, Faculty de Medicine, Université de Montréal
Box 6128, succursale Centre-ville, Montréal, Québec. H3C 3J7
Email : louise.demers@umontreal.ca
Fax : 514-343-2105
Phone : 514-343-6417
Website : <https://readaptation.umontreal.ca>

| Application deadline | Until September 30 th 2019 inclusively |
| Salary | Université de Montréal offers competitive salaries and a full range of benefits |
| Starting date | As of June 1st 2020 |

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its [Equal Access Employment Program](#), UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
